

To: Domestic Agencies
Nominated Companies

Date: 22 June 2020

Reference: IO/20/CFT/7-497/LLU-Supply of Components, Prototypes, and Tests for ITER Diagnostic Systems

Subject: CANCELLATION OF CALL FOR TENDER PROCESS

china

Dear Domestic Agencies and Nominated Companies,

eu

We hereby inform you that IO has decided to cancel the above-mentioned procurement process due to newly identified needs to update and modify some of the relevant expertise required for the project.

india

japan

We will soon issue a new Call for Nomination with the modified technical summary under a new reference number.

korea

russia

Thank you for your kind understanding and continued support.

usa

Yours faithfully,

Daphné CROWTHER
