TERMS AND CONDITIONS

1. The quotation and any order resulting from this enquiry shall be governed by our Conditions of Order and supplier quoting against this enquiry shall be deemed to have read and understood the same in to
2. Where counter terms and conditions have been offered by the Tenderer, the same shall not be deemed to have been accepted by ITER-India unless our specific written acceptance thereof is obtained.
3. Quotation: Your quotation superscripting our enquiry No., date, due date and brief description of item should be submitted to the Purchase Officer, ITER-India in sealed envelope on or before the due date. Late/Delayed/incomplete quotations will not be considered. Envelopes received without Enquiry number, date, due date and brief description of item may be rejected. The quoted prices should be firm for a period of 90 days from due date for placing order. ITER-India is not bound to accept lowest rate/s. Bidder shall submit the price bid/offer on Bidder's letter head with official seal and sign on each page.
4. The bid documents shall be prepared in English language only
5. All pages of the bid documents shall be numbered. Each page of the bid document shall be stamped and initialized.
6. In the event of any date indicated above is a declared Holiday, the next working day with the same time limit shall become operative for the respective purpose mentioned herein
7. In case of deviation in payment terms including demand of advance other than specified in payment schedule and accepted by ITER-India, prevailing Prime Lending Rate (PLR) of SBI will be loaded for price comparison purpose
8. ITER-India and their authorized representatives may visit the Contractor/Sub-contractors if required as part of technical evaluation process
9. ITER-India reserves the right to place order on one or more parties.
10. Specifications: Material should be offered strictly conforming to our specifications/drawings, if any. Deviation, if any, should be clearly indicated by the supplier in their quotation. The Tenderer should also indicate the Make/Type number of the materials offered and catalogues, technical literature and samples, wherever necessary should accompany the quotation. Clarification/s on specifications/drawings should be obtained from Purchase Officer before submitting quotation.
11. Terms of Prices: Quotation should be submitted on door delivery basis, duly packed & insured without extra charge wherever possible.. In the case of Indian suppliers, the material is to be delivered at our stores free of charge duly packed & insured.
12. Unit rate/s should be valid throughout the validity of Purchase Order for addition/deletion purposes. Break-up of price should be furnished. The quoted price should not be subject to price escalation for whatsoever reasons. The quoted price shall be firm, fixed and non-revisable during the validity/ extended validity of Purchase Order.
13. Prices are required to be quoted according to the units indicated in the tender form/Enquiry. When Quotations are given in terms of units other than those specified in the tender form, relationship between the two sets of units must be furnished.
14. Tender should be free from Correction and Erasures. Corrections, if any, must be attested. All amounts shall be indicated both in words as well as in figures. Where there is difference between amounts quoted in words and figures, amount quoted in words shall prevail. Unsigned quotations will summarily be rejected.
15. ITER-India shall be under no obligation to accept the lowest or any tender and reserves the right of acceptance of the whole or any part of the tender or portion of the quantity offered and the tenderers shall supply the same at the rates quoted. ITER-India also reserves the right to split the order at its sole discretion.
16. Octroi is not applicable at present.
17. Delivery Date/Period: Delivery period is essence of the Order. Supplier must indicate the firm delivery date by which the materials will be dispatched / delivered by them from the date of our order.
18. Delivery period shall be clearly indicated against each item separately.
19. Inspection: Materials on its arrival at ITER-India will be inspected by our Engineer/Stores In-Charge, and his decision in the matter will be final. However, where the items are required to be inspected at the Suppliers Premises, Supplier has to give advance notice to the Purchaser regarding readiness of the material to enable Purchase/Stores section to depute his representative for inspection.
20. Payment: Payment will be arranged for accepted materials only within 30 days from the date of acceptance of materials at ITER-India and receipt of error free bills in our accounts section, complete in all respects.
21. No correspondence will be entertained within 30 days from the date of receipt of material and bills, whichever is later.
22. Warranty: The Stores/Items offered should be guaranteed for a minimum period of twelve months from the date of acceptance, against defective materials, design, workmanship, operation or manufacture. For defects noticed and communicated during the Guarantee period, replacement/rectification should be arranged free of cost within a reasonable period of such notification. In case where our specifications call for a guarantee period more than 12 months specifically, then such a period shall apply.
23. The Contractor/Supplier shall at all times indemnify the purchaser against all claims which may be made in respect of the stores for infringement of any right protected by Patent, Registration of design or Trade Mark and shall take all risk of accidents or damage, which may cause failure of supply from whatever cause arising and the entire responsibility for sufficiency of all means used by him for the fulfillment of the Order.
24. Successful tenderer will have to furnish in the form a Bank Guarantee or in Indemnity Bond form as called for by the Purchaser towards adequate security for the materials/property provided/issued by the Purchaser as Free Issue Material for the due execution of the Order. Insurance for the Free Issue Material shall be arranged by the Supplier/Contractor at his risk and cost.
25. Non-compliance to tender specifications and/or tender scope and/or tender terms and conditions are liable for rejection. Decision of ITER-India in respect of non-compliance shall be final and binding on the bidders.
26. Canvassing in any form with regard to this tender will lead to rejection of the bid.
27. The Project Director, ITER-India reserves the right to accept or reject any quotations fully or partly or to cancel the enquiry without assigning any reasons.
28. This enquiry is not a commitment and the Purchaser reserves the right to reject or cancel any or all offers.
29. Jurisdiction: The Order shall be governed by the Laws of India for the time being in force. The Courts of Ahmedabad/Gandhinagar only shall have jurisdiction to deal with and decide any legal or dispute arising out of this Order.
30. Unsuccessful bidders will not be intimated about the results of the enquiry/tender.
31. Purchase will not be responsible for payment of any interest to the Supplier, in case of delay in releasing payment.
32. The price evaluation shall be carried out on Landed price.

Technical Specification Document for Current Limiting Resistance Unit

1. Scope of Supply

S.No	Name of the Item	Quantity
1.	Current limiting resistance units as per the specifications.	2 Sets

2. Technical Specifications

S.No	ITER-India Specifications		Vendor Notes & Compliance
1.	Resistance	5Ω±10%	
2.	Floating Voltage	~50kV (Refer Figure)	
3.	Continuous Current	50A	
4.	Continuous Power Dissipation	12.5kW	
5.	Isolation (terminal to body)	100 kV	
6.	Inductance	~ 1mH or less	
7.	Ceiling Dimensions of Enclosure (Approx.)	~ (1.0m x 1.0m x 1.0m) Compact Size is preferred	
8.	Mounting	Self-Supporting Enclosure	
9.	Portability	Should have wheels with arrestors	
10.	Terminations	On top of Unit with bushings	
11.	Type of Cooling	Specify (ONAN, ONAF, OFAF etc.,)	
12.	Necessary active cooling such as forced oil circulation with coolant -pump, radiating fins, etc shall be provided so as to not exceed the service temperature of coolant.	Please specify the details	
13.	Type of Oil & Estimated Quantity of Oil	Specify details (Required amount of oil is also under scope of supply)	
14.	Meters, Guages, etc.,	Temp & Pressure of Oil Please specify the details	
15.	Supply for Auxiliaries	Specify the auxiliary Voltage	

	Annexure-I Technical Specifications	Enq.No. : I-IEN20015
---	--	----------------------

16.	Provision for Oil Management	Appropriate arrangements for easy filling & draining of oil shall be provided.	
-----	------------------------------	--	--

3. Instructions for Manufacturing & Factory Testing:

- A) The current limiting resistance unit shall be made portable, suitable mechanism (with wheels with arrestors) must be incorporated which allows the user to move unit easily.
- B) This current limiting resistance unit would be used to with a continuous current up-to 50A, and frequent faults.
- C) It is essential that the resistance element shall withstands repetitive thermal cycling without mechanical or electrical failure.
- D) A typical suggestive drawing is given in Annexure for reference purpose only.
- E) Prior approval of drawings shall be taken from ITER-India.
- F) All the accessories (meters, gauges, wires etc.,) shall be of reputed manufacturers only.
- G) **Factory Testing:** The Unit shall be tested at factory works for Visual Inspection, Resistance value, HV Isolation tests, Power dissipation etc., for the verification of key technical specifications.

4. Delivery

The required delivery schedule period is within 3 Months from the date of purchase order.

5. Packing & Shipment

The material should be appropriately packed with one set of documentation & Prior information of the material dispatch should be given to ITER-India Purchase Officer. The items shall be delivered at following address:

**ECRH-Lab,
 ITER-India Lab Building,
 Institute for Plasma Research,
 Near Indira Bridge, P.O. Bhat Gandhinagar -382 428, India**

6. Final Acceptance:

After the receipt of the unit at ITER-India site, ITER-India shall conduct performance tests of the arc current limiting resistance unit. Upon successful completion of the tests (after resolving issues completely, if any) at site, a final acceptance note shall be issued by ITER-India. The date of issuance of final acceptance note shall be considered as the date of final acceptance.

7. Warranty:

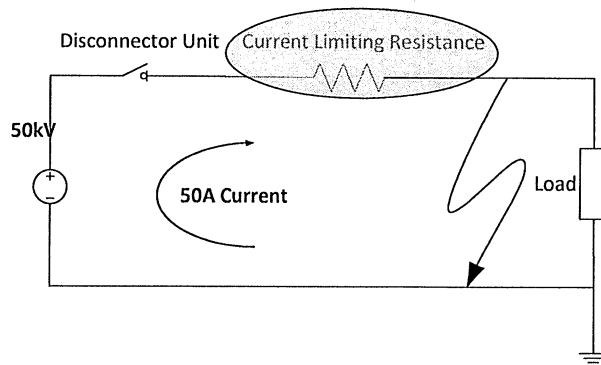

A minimum of one-year warranty should be provided.

8. Notes for Bid Submission

- A) Specification compliance sheet has to be filled by vendor as shown in technical specification sheet.
- B) Proposed GA drawings of Unit may be attached along with the bid.
