Date: March 25, 2022

Sub: Cancellation of Call for Tender Process

Reference: IO/21/CFT/70000768/LLU- Support of Diagnostics Design Activities

We have been informed by ITER-Organization (IO) that, they have decided to cancel the above-mentioned procurement process due to their decision to reorganize and update the foreseen scope of the contract.

A new Call for Nomination with the modified technical summary under a new reference number will be issued soon by IO.
