

Prior Indicative Notice (PIN) for “Mechanical engineering support for DMS and diagnostics integration in Equatorial Port #08 and #17”

IO Call for Expertise (CFE) Reference: IO/22/CFE/10023893/MKI

Date: July 25, 2022

ITER-India, Institute for Plasma Research, being Indian Domestic Agency (IN-DA) of ITER-Organization, France requests Indian companies, institutions and other interested entities to submit their Expression of Interest (EOI) for “**Mechanical engineering support for DMS and diagnostics integration in Equatorial Port #08 and #17**” against abovementioned Prior Indicative Notice (PIN).

Please see attached all the relevant documents as follows:

- Annex-I: Technical_specification_7V85QY_v1_0
- Annex-II: Expression of Interest Form
- Prior Indicative Notice (PIN Summary)

The ITER Organization (IO) intends to launch a competitive Call for Expertise (CFE) in the coming weeks in accordance with the details in the attached Prior Indicative Notice (PIN). The advance notification is to alert companies, institutions or other eligible entities to the forthcoming CFE, provide information to promote healthy competition and time provided to interested parties to decide whether to participate in the tender or not.

Interested parties/companies are requested to go through the PIN Documents and submit electronically their Expression of Interest (EOI) in the prescribed Form attached as Annex-II to the Procurement officer in charge (email: MohamedYacine.Kadiri@iter.org copy to Jongeun.Lee@iter.org) and register in the IO Ariba eprocurement tool called “IPROC”. You can find all links to proceed along with instruction going to: <https://www.iter.org/fr/proc/overview>. Further details are given in PIN document.

Note: Please mark CC to purchase@iterindia.in while sending the EOI to Procurement Office in charge.
