2 Instructions to Bidders and Tender conditions

Online tenders are invited (INR quote only) in **TWO PART** from the reputed and eligible parties against the **GeM Bid No. GEM/2025/B/6288227 (Two Part Open Tender)** for “Charcoal Coating with Cryogenic Adhesive on Copper Panels – Qty. 22.2 m²” as per the Scope of Supply, Work and Technical Specifications provided in Part-A (II) and Terms & Conditions provided in Part-A(III) of this tender document.

Table 1: Instructions to Bidders

2.1 Tender Documents / Tender Specifications & Requirements	
The scope of supply, scope of work, technical specifications, contract/purchase order terms and bidding procedures are prescribed in the tender documents. The tender documents include the following Parts. Each Part is provided in a separate document with appropriate title.	
a.	Part-A(IA): Essential Eligibility Criteria
b.	Part-A(IB): Instructions to bidders and Bid Submission format
c.	Part-A(II): Scope of Supply & Work, Technical Specifications
d.	Part-A(III): Terms and Conditions of the Contract
e.	Part-B: Price Bid Breakup format (PDF)
f.	Any modification(s) to the tender documents, which may become necessary, shall be uploaded as a corrigendum on GeM portal as well as on ITER-India Website https://www.iterindia.in/tenders under the “Tender-Public/Global Tenders” menu
2.2 Evaluation and clarifications of Part-A bids	
a.	At first the submitted EEC documents will be evaluated against the specified Essential Eligibility Criteria (Refer Part-A (IA)) for the essential eligibility criteria details).
b.	The bids that are meeting all the Essential Eligibility Criteria stipulated in the Part-A (IA) of the tender shall only be shortlisted as “ Eligible Bids ”.
c.	The shortlisted “ Eligible bids ” shall only be considered for further detailed techno-commercial evaluation.
d.	If it becomes necessary to seek clarifications from the bidders regarding EEC, technical and commercial terms and conditions of the tender, the same will be sought through on-line portal from the bidders. In such an event, the bidder will furnish all the EEC, technical and commercial information/clarification through on-line portal, on or before the date and time fixed for submission of such clarifications. If the EEC, technical and commercial clarifications sought for, do not submit on-line on or before the due date and time fixed, such bids are liable to be rejected without any further notice. Purchaser shall not bear the responsibility of delay in receipt of required clarification(s).
e.	The shortfall information/documents shall be sought only in case of historical documents which pre-existed at the time of the bid opening and which have not undergone change since then. So far as the submission of documents is concerned with regard to eligibility criteria, after submission of the bids, only related shortfall documents shall be asked for and considered. For example, if the bidder has submitted a supply order without its completion / performance certificate, the certificate can be asked for and considered. However, no new supply order shall be asked for so as to qualify the bidder.
f.	Further to clarify and confirm the compliance of the stated requirements, specific meetings with the bidders may be called by ITER-India. The venue, date and mode of the meeting (In person/ on-line) shall be intimated to the bidder. Discussions will be held on the various aspects of the offer, including the deviations, if any, vis-à-vis tender requirements.
g.	In the event of differences in commercial terms and conditions quoted by various bidders, ITER-India may resort to commercial discussions to bring all the bidders to common level of commercial terms and conditions.
h.	ITER-India and their authorized representatives may visit the Contractor/Sub-contractors, if required, as a part of technical evaluation process. Assessment made by ITER-India during the visit to the bidder shall be considered as a part of bid evaluation.
i.	Where counter terms and conditions have been offered by the bidder, the same shall not be deemed to have been accepted by ITER- India, unless specific written acceptance thereof is obtained by ITER-India.
j.	All technical and commercial aspects pertaining to Part-A (Technical and Commercial bid without price) of the tender will be finalized prior to opening of Part-B (Price bid) and no change in this regard shall be accepted after

	opening of Part-B (Price bid).
k.	Bids that are found to be compliant with the Essential Eligibility Criteria, the scope of work, supply, Technical Specifications and Commercial Terms & Conditions specified in Part-A of the tender documents, shall be shortlisted as Technically Qualified Bids .
l.	Price bids (Part-B of bid) of only Technically Qualified Bids will be opened online by the Purchaser.
2.3 Evaluation of Part-B bids	
a.	The opened price bids (along with its break-up) after Reverse Auction will be evaluated as per the tender
b.	The evaluation criteria and the basis for the price comparison are specified in the tender document. Price Fall Clause Certificate shall be submitted by the bidder as part of their Part-A bid document.
c.	Conditional discount, if any offered by the bidder shall not be considered and may lead to the rejection of the bid.
d.	The evaluation committee may hold discussions with the bidder, if required.
e.	Price bid filled by the bidder shall only contain all the required rates, amount and particulars as per the price bid format (Part-B).
2.4 Acceptance/Rejection of Bids	
a.	Upon acceptance of successful bid, ITER-India may award a Contract to the successful Bidder within the validity/extended validity of the bid.
b.	Non-compliance to EEC and/or tender specifications and/or tender scope and/or tender terms and conditions are liable for rejection. Decision of ITER-India in respect of non-compliance shall be final and binding on the bidders.
c.	Canvassing in any form with regard to this tender will lead to rejection of the bid.
d.	It is expected from the Bidders/ suppliers/ contractors that they will observe the highest standard of ethics during the procurement and execution of the contracts. In pursuance of the policy, for the purposes of this provision, the terms set forth below shall mean as under: (i) "corrupt practice" means the offering, giving, receiving or soliciting of anything of value to influence the action of a public official in the procurement process or in contract execution; (ii) "fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Purchaser, and includes collusive practice among Bidders (prior to or after bid submission) designed to establish bid prices at artificial non-competitive levels and to deprive the Purchaser of the benefits of free and open competition (iii) "Collusive practice" means a scheme or arrangement between two or more bidders, with or without the knowledge of the Purchaser, designed to establish bid prices at artificial, non-competitive levels A Bid may be rejected by the Purchaser if it is determined at any stage that the respective Bidder has engaged in corrupt, fraudulent and/or collusive practices as mentioned above in competing for the contract in question. The Purchaser may declare a firm ineligible, either indefinitely or for a stated period of time, if it at any time determines that the firm has engaged in corrupt or fraudulent practices, Collusive practices in competing for, or in executing, a contract
2.5 Construction of contract	
a.	It is the intent of ITER-India to incorporate the Scope of supply and work, Technical Specifications, Terms & Conditions of the Contract and price bid in the final Contract between ITER-India and the successful bidder. This final Contract shall include deviations, if any, as mutually agreed between ITER-India and the successful bidder. However, any variation in the scope of supply and / or scope of work to meet the intent of this specification and to be in line with good engineering practice and manufacturing feasibility during execution of Contract shall not be subject to price variation.
2.6 Cancellation of Tender	
a.	During the tendering process, there may be some unforeseen situations compelling the Purchaser to cancel the Tender without finalization. In such a case, the Purchaser will send a notice/intimation for cancellation of the Tender by email/upload on website. Purchaser will not be responsible for any consequences due to such cancellation.

Annexure -3 Hindrance Register

A Hindrance Register is to be maintained in the enclosed Format to record all hindrances encountered during execution of items/work against the PO/Contract. The items or work affected due to any hindrance shall be clearly recorded in the Hindrance Register and the Purchaser's representative as well as the Supplier's/Contractor's representative will sign on the register against the recorded hindrance(s). In case of encountering multiple hindrances simultaneously over a period of time affecting the same item/work or different items/work, the net period of hindrance will be worked out considering the overlapping period.

Format of Hindrance Register:

Sr. No.	Nature of Hindrance	Item or Work which is affected/could not be executed on account of this hindrance	Date of start of hindrance	Date of removal of hindrance (references of communications to resolve)	Overlapping period (if any)	Net Delay in days	Sign/clearance of Purchaser's representative	Sign/clearance of Contractor's representative

It is to be noted that the delay in individual activities may not be affecting the contractual milestone depending on the available float, if any.

Annexure – 4: UNDERTAKING FROM THE CONTRACTOR FOR TERMINATION OF CONTRACT FOR DEFAULT

(On Non-judicial Stamp Paper of appropriate value)

The Contractor agrees to the clause **19.1** of Part-A(III) as elaborated below under the Contract No. --
-----dated -----for “-----”

In case of abnormal delays (beyond the maximum late delivery period as per Penalty clause) in supplies or non-fulfilment of any other terms and conditions given in the Contract, the Purchaser may cancel the Contract in full or part thereof, and may also make the purchase of such Item(s)/material from elsewhere / alternative source at the risk and cost of the Contractor. The Purchaser will take all reasonable steps to get the material/Item(s) from alternate source at optimum cost. This will be without prejudice to any other right of the Purchaser under the Contract. Termination for Default Clause (clause no. **19.1** of Part-A(III)), in line with Terms and Conditions of Contract, may be invoked in any of the following cases:

1. Contractor's poor progress of the work vis-à-vis execution timeline as stipulated in the Contract, backlog attributable to Contractor including unexecuted portion of work/ supply does not appear to be executable within balance available period (#) considering its performance of execution.
2. Withdrawal from or abandonment of the work by Contractor before completion of the work as per contract.
3. Non completion of work/ Non-supply by the Contractor within scheduled completion/delivery period as per Contract or as extended from time to time, for the reason(s) attributable to the Contractor
4. Termination of Contract on account of any other reason (s) attributable to Contractor
5. Assignment, transfer, subletting of Contract without Purchaser's written permission resulting in termination of Contract or part thereof by the Purchaser
6. Non-compliance to any contractual terms & conditions or any other default attributable to Contractor.

#In-case inputs from the Purchaser are likely to be delayed or are actually delayed, this delay may also be taken into account while considering balance period available for execution of Contract.

Risk and Cost against Balance Supply/Work (subject to Value B not paid by the Purchaser, in case, B is paid, it will be added to below formulate):

Risk & Cost Amount= $[(A-B) + (A \times H/100)]$

Where, A= Value of Balance scope of Work/ Supply (*) as per rates of new contract

B= Value of Balance scope of Work/ Supply (*) as per rates of old contract being paid to the contractor at the time of termination of contract.

H = Overhead Factor to be taken as 15%

In case (A-B) is less than 0 (zero), value of (A-B) shall be taken as 0 (zero).

*(Balance scope of work/ supply) Difference of Contract Quantities and Executed Quantities as on the date of issue of Letter for 'Termination of Contract', shall be taken as balance scope of Work/ Supply for calculating risk & cost amount. Contract quantities are the quantities as per original contract. If, Contract has been amended, quantities as per amended Contract shall be considered as Contract Quantities. Substitute/ extra items which have been executed but rates have not been approved, would also form part of contract quantities for this purpose and rates of such items shall be determined in line with contractual provisions.

NOTE: In case portion of work is being withdrawn, contract quantities pertaining to portion of work withdrawn shall be considered as 'Balance scope of work/supply' for calculating Risk & Cost amount.
